## Club Project Corner

Roger Westgate is guiding the club in carving a male Red Breasted Merganser. Roger supplied the cutout that is just over seven inches long. Roger is using a model (seen below) that he had previously carved, and is carving himself another, along with the club, as his normal method of teaching.

## Annual Carving Picnic - Aug 14

The Catatonk Valley Woodcarvers Annual Picnic is planned for Sunday August 14<sup>th</sup>, and will begin between noon and one o'clock. The picnic will be held in the Bo Meyer Park in Candor.

There will be a meat platter and some soft drinks supplied by the club. You should bring friends of the club, a dish to pass as well as table service, and carving tools, as there will be a whittling competition. There will be **NO CARVING CLUB MEETING** after the picnic on Monday the fifteenth of July.

Nearly complete rhino by Sue Driver.

## Club Raffle

The annual Catatonk Valley Woodcarvers Show and Sale will be held on October eighth and ninth this year, on Columbus Day weekend. The raffle item for this year's show and sale is nearly completed (see below). The club has had excellent participation in this year's club raffle project, which is birds that are found locally, carved and painted in a stylized fashion. The display makes a small and interesting piece that will be a good seller.
