## Business Meeting Date Change

The Catatonk Woodcarvers will not meet on Memorial Day, which is on the twenty-fifth of May. This would have been the last meeting of the month, and would normally be the business meeting. The business meeting will be held the following week on Monday, the first of June.

## Bring Ornaments for Business Meet

Dan Elswit will be taking photos of the Christmas chest and Christmas ornaments at the business meeting on the first of June. The club wants as many ornaments as possible to be completed, so they can be in the photograph. Please complete as many of your carvings or wood burning as you can, to be ready for this photo. The photo will be used for ticket promotions; it is an excellent sales aid.

## Club Project for Ross Park Event

Our latest club project is a king penguin taught by Roger Westgate. The penguin is the featured animal at the Ross Park Zoo for the Fathers Day event. The club will display carvings of the penguin along with other animal carvings. It will be a fun day at the zoo.
