## 2014 Christmas Party

This year's Christmas party will be held on the fifteenth of December 2014. The party will be held in the Candor Library and will start at six PM. Family and/or friends are welcome. Please bring a favorite desert or finger food. There will be coffee, a few soft drinks, and tableware available.

Relief carving by Dick Rogers.

Wood burning by Rhonda Grover.

## Poor Weather

We should cover the possibility of adverse weather on the day of a club meeting earlier than normal this year. If the Candor schools are closed due to weather on Monday, that weeks meeting will be canceled.

If a meeting of the carving club is to be canceled for poor weather or any other reason we will attempt a 'call out' to the members that frequently attend. Please make sure you have current calling information. You can do this with Dave Baldwin or Roger Westgate, or with the person who normally calls you in these events. If at any time you find poor driving conditions on the way to Candor, then please make safe choices while driving.

## Peoples and Carvers Choice

Ballots were counted at the end of the woodcarving show this year for peoples choice. Hundreds voted and the competition was stiff, the winners were First place, Hank Walker. Second place, Randy Conner. Third place, John Rasile. Carvers choice went to First Place, Alexis Harford. Second place, Hank Walker. Third place, Dick Rogers. Congratulations to the winners for this year's show.
