Twenty Fourth Annual Catatonk Valley Woodcarvers Show and Sale

The Catatonk Valley Woodcarvers Show and Sale will open at ten AM on the eleventh of October. The main competition judging will have occurred. Be sure to get your carvings to the judging location in the Candor Fire Station between 7:00 and 8:30 AM on the eleventh. There is a copy of the Rules for this Competition attached to this newsletter.

This year the raffle item is a wall hanging containing twenty buildings and local sites that are indicative of the beauty in this area. Included is a book with information about the areas depicted on the tiles.

The sales of raffle tickets pay expenses for the annual show and sale as well as other carving club expenses. You can get tickets to sell at the weekly meetings of the club or by contacting Ed Fabrizio at 607-757-0981. The tickets sell for a dollar each or eight for five dollars.

Club Project Corner

The club is working on one of two relief carvings of pastoral farm scenes. Dick Rogers is lending his expert help to our efforts. The reliefs are two farm scenes with trees, barns and they lend themselves to instruction in this style of woodcarving. Thanks for sharing your knowledge, Dick.
